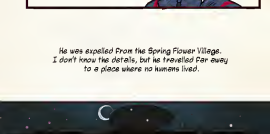
Socks and Goblin

Episode 15

Sharing Secrets

He was expelled from the Spring Flower Village.
I don't know the details, but he travelled far away to a place where no humans lived.



And, the number of people who immigrated to this village increased as time passed. The bigfoots slowly lost their land, and their way of life.

IT SOUNDS LIKE ALL THE BIGFOOTS WILL HATE HUMANS, BUT NOT ALL BIGFOOTS ARE LIKE THAT.
ALL THE BIGFOOTS I'VE MET SO FAR ARE KIND TO ME, EXCEPT MR. RICHARD.

There are also bigfoots who became interested in humans' way of life, and decided to integrate into this society.

The ones who choose to stay in harmony with humans stayed, while the bigFoots who wanted to keep their tradition left to live in a small island, lead by their chief.

And the humans promised to protect the autonomy of the island.
